# PARTNERING WITH

## RELEVANT MINISTRIES

Calvary Church Student Ministries, in conjunction with Calvary Academy, would like to take families (parent/s with kids in 3rd grade or above) and teens (JH & SH) on a family friendly/focused missions trip to **Relevant Ministries in Pass Christian, Mississippi**. The team will work on different age-appropriate projects like: VBS, construction, outreach, etc.

In partnership with Relevant Ministries, our team will help meet needs in the coastal churches and communities. The emphasis will be on spiritual rebuilding, and will challenge and inspire to live life on mission.

# ADDITIONAL INFORMATION

Team meetings are essential to the preliminary team-building and overall success of a missions trip. To the left are the meeting times leading up to the trip where we will discuss the fine details of the trip, and build a strong base as a team. These meetings will allow our team to maximize their spiritual impact on the mission field. It is imperative that these meetings be a priority for anyone interested in taking this trip.

In addition to the meeting schedule, there is an added payment schedule in the far right column. A \$200 non-refundable down payment is due by 11/20. Each person will receive a trip packet, with a fundraising letter included, once their deposit has been turned in.
