## Packing List for the Ladies

### ■ Clothes for water, wildness, and worship!

**What should I wear?** At camp, you are going to have **FIVE DAYS** of great activities! We want to make sure you are prepared for whatever comes your way! **Bring a cute swimming suit!** A one piece or a tankini would be best for splashing around in the water games! **Don't forget to pack clothes you can play in and get dirty** (there are no washing machines at camp so bring a few options). Finally, bring some **nice clothes** for the night time services. You don't have to look your Sunday best, but make an effort to dress up a little :)

### ■ \$\$\$ Spending Money \$\$\$

**Should I bring spending money?** All of your meals starting Monday night are included with your registration so if you forget to bring money, have no fear, you will live. However, you can bring some extra cash for the **late night café** if you want some yummy ice cream or for the **camp store** where you can get a bunch of great stuff! Most importantly, at some point during the week, an offering will be taken for **Speed the Light** so **don't forget to set some money aside to help out our really great missionaries!**

### ■ Sleep & Shower

**What do I need to bring for our room?** At night you are going to be staying in a nice, air conditioned room but you will need to bring your own **sleeping bag and pillow** (or a **set of twin sheets and blanket**). If you get cold easily, then you might want to bring some cozy sweats and a hoodie. For the bathroom, bring your own **soap, shampoo, conditioner and a couple of towels**. It might be a good idea to pack **a pair of flip flops you can wear in the shower** too. Lastly, bring **a plastic bag you can put your dirty clothes into...** It helps!

### ■ Anything Else?

**What else should I remember?** Breakaway is going to be an amazing week and **God is going to do some incredible things in your life!** Bring a **journal and a bible** so you can write down some of the great things God is doing for you while at camp! **Make the most of every opportunity** by making new friends, having a blast during the games, losing yourself in worship, and meeting with God every chance you get! **This is going to be the greatest week of your life!**

**See the other side for a packing checklist and some "girl tips"**

## Girl Tip #1 Avoid the Wardrobe Malfunction!!!

Remember Ladies, **Bikinis, spaghetti straps, short shorts and skirts, cutoff shirts that show off sports bras, and plunging neck lines are not allowed at camp.** It's not because we don't want you to look super cute... (and we know you will anyway) we just want you to **avoid the dreaded WARDROBE MALFUNCTION** oh no!! You will be playing a bunch of games in the water and on land where you will be bending, stretching, jumping and running. Even during the evening services you will be active in worship and we want everything to stay where it is supposed to stay :)

## Girl tip #2 Make room for God

Keep the distractions away! **Set some boundaries up ahead of time.** Tell your man and the friends with drama that **you need some space** this week... trust me, you will be so glad that you did!

## Girl Tip #3 Keep it Super Safe!

Be smart with your valuables! **If you don't absolutely need it at camp, don't bring it!** Take only what you need when you leave your room. There aren't any completely secure places to leave your things if you want to play games or go swimming so **think twice before leaving your room with your prized possessions.** Oh... and before I forget, **turn in ALL MEDICINE to the camp nurse.** Even if it's a little embarrassing :) (don't worry, the nurse is super sweet and she will keep all of your medication a secret)

SEE THE OTHER SIDE FOR A PACKING CHECKLIST AND SOME GOOD ADVICE

## Tip #1 check your wardrobe

Remember Guys, shirts with profanity or suggestive sayings, or shirts that have giant tears down the side where the sleeves should be are not allowed at camp. We know the ripped shirts are comfortable, but with the games you will be playing, they can get torn off the rest of the way and that becomes a hassle. If you have a problem with your pants falling below your butt, pack a belt. Nobody wants to know if you are a boxer or brief guy. And last but not least, make sure you pack different clothes for the daytime games and the services. Chances are you aren't going to be able to wear that beat up, torn up, muddy shirt you wore out all day to service.

## Tip #2 Men of God

Take care of each other. Show a little valor by opening doors and being gentlemen. Practice good sportsmanship out on the field and lead the way in worship!

## Tip #3 Keep it Safe

Be smart with your valuables! If you don't absolutely need it at camp, don't bring it! Take only what you need when you leave your room. There are no totally secure places to leave your things if you want to play games or go swimming so think twice before leaving your room with your valuables or money. One more thing...turn in ALL MEDICINE to the camp nurse even if you think it's not a big deal. The camp nurse will keep all your medicine safe and secret. Nobody will know what you take.

## Tip #4 Team Pride

Don't forget...Pack stuff with your team color on it! When you find out your team color, try to bring clothes and gear that will show your team pride! Everybody else on your team will have team color so don't be "that guy" who forgot. Plus, the more pride your team has, the more points you rack up! You can also bring stuff to deck out your room, just remember, no duct tape, spray paint, or colored hair spray (that stuff can cause damage to the room).

## COVID-19 Procedures and Policies

First and foremost, we hope that you and your loved ones are safe and healthy. We have received questions from parents about if and how COVID-19 will affect Breakaway Kids Camp this year. We know this pandemic has been stressful to many and recognize that socializing and interacting with peers can be a healthy way for kids to cope with stress and connect with others, particularly after spending quite a bit of time at home. It is our plan to resume camp while doing our best to follow the CDC, IDPH, and county health considerations to protect campers, families, and our community.

We plan to implement safety measures and procedures based on the considerations of the CDC, Illinois Department of Public Health, and Restore Illinois. The most current guidelines were set in January 2021. **As we get closer to the opening of the camp, safety measures will be revised to meet the guidelines set at that time. It is our hope that many of the safety measures outlined in this document will be less restrictive.** These procedures and policies are subject to change according to the most current guidelines for summer camps.

**Day-of-Event Procedures:** Leaders will be required to conduct a temperature check on each attendee in their group within 24-hours prior to their departure for the event. Anyone with a temperature of 100.4° or higher shall not be allowed to attend. If you or anyone within your group develop symptoms of COVID-19 while at the event, they will be isolated and potentially asked to leave the event.

Each attendee will be asked the following questions regarding their exposure to COVID-19. If anyone answers YES to the following questions they will not be able to attend the camp.

1. Have you tested positive for COVID-19 in the last 14 days?
2. Have you knowingly come into contact with anyone who has tested positive for COVID-19 in the last 14 days?
3. Have you had any of these NEW symptoms in the past 14 days?
  - Fever of 100.4 or higher (without fever-reducing medication)
  - Feeling feverish (chills, sweating)
  - New cough
  - Difficulty breathing
  - Sore throat
  - Muscle aches or body aches
  - Vomiting or diarrhea
  - New loss of taste or smell

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is a contagious virus that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and those with underlying medical conditions are especially vulnerable. By attending this Illinois Student Ministries event, I voluntarily assume all risks for my group related to exposure to COVID-19 and hold harmless Illinois Student Ministries from all liability related thereto.
