

Parent Connection

2/9/2020

Parents,

This Sunday, we will be talking with the kids about the sixth day of creation. On the sixth day, God created all the animals that live on the ground and human beings. The Kids will learn that by creating us in His image, God showed us how special we are and how much He loves us.

Memory Verse:

The earth belongs to the Lord. And so does everything in it. The world belongs to him. And so do all those who live in it.

Psalms 24:1 (NIV)

Discussion Questions to Ask:

- What makes us (humans) different from everything else God made during creation?
- (Talk about all the ways that you as family members show love to one another - cards, gifts, and acts of kindness, etc. Then ask...) What are some ways that God shows his love for us?
